Mentorship & Lectoring

2023 - Present

UI/UX Designer

DUKU AGENCY • TIRANË, ALBANIA

- UX/UI design for different web and mobile app, making it more engaging and satisfying for users.
- Did research, ran tests, and analyzed data to make the product better for users.
- Worked closely with developers to make sure the designs were built smoothly.
- Worked with key people to understand what was needed and delivered easy-to-use design solutions.

2021 - 2023

UI/UX Designer

BUFALO SHOES • TIRANË, ALBANIA

- Created wireframes, prototypes, and high-fidelity designs for their responsive e-commerce website and mobile web.
- Utilized design systems to maintain consistency across various platforms.
- Improved user flows and interface designs based on feedback and usability testing.

2017 - 2021

Graphic Designer

STOJKU GROUP • TIRANË, ALBANIA

- Designed marketing materials, including brochures, banners, and social media graphics, ensuring brand consistency.
- Developed custom illustrations and icons to enhance visual storytelling for websites and presentations.
- Worked with the marketing team to create engaging visuals for ad campaigns, leading to increased customer engagement.

2014 - 2017

Junior Graphic Designer

2M PRINTING • DURRËS, ALBANIA

- Assisted in creating marketing materials such as flyers, social media posts, and website banners, while following brand guidelines.
- Supported the design team by creating simple illustrations and icons for digital and print projects.
- Collaborated with senior designers and the marketing team to produce visuals for promotional campaigns, helping to boost audience engagement.
